

## BOW COMMUNITY ROBOTICS TEAM 4290

Our team has been very busy doing outreach, fundraising, safety training, java classes, building a demo bot and organizing our work space.

Welcome to our new member Vedat and our newest mentor Chet Zientek who comes to us from team 179 Children of the Swamp.

Jessica, Adam, and Dan from Best Buy stopped in to visit at the work zone and presented our team with a check. They enjoyed meeting all the team members and having "hands-on" experience driving our robot, Wheel Armstrong.

Thank you for supporting our team.

## EmpowHERment

Our student, Nyela and mentors met with young girls at the 2019 EmpowHERment teen summit to reach girls in the community and introduce them to *FIRST* robotics and our team.

Any high school girls' interest in joining Bots on Wheels should contact us at [bowcommunityrobotics@gmail.com](mailto:bowcommunityrobotics@gmail.com).

## Best Buy presents check to BOW

We attended the Super Con event hosted by Union County library. Super Con celebrates culture surrounding comic books, graphic novels, manga, anime, fandoms, and gaming.

There were over 800 in attendance. Garrison 501<sup>st</sup> and Blue Ridge Base Rebel Legion stopped by our booth for a photo, a visit with the robots and learn more about the *FIRST* programs.

# INFINITE RECHARGE

## THOR WEST

Our team competed at THOR WEST hosted by 1225 Gorillas, 5727 REaCH Omegabytes, & 6932 SMART.

We were the 6th Alliance Captain with teams 5854 Glitch and 6729 Robocobots. We brought home a 2<sup>nd</sup> place win!!

## SIMS

Team members had fun trying out their golf skills at Golf Club at Ballantyne and talking with participants about our team and *FIRST* programs.

## OUR FUNDRAISING

Help us reach our fundraising goal by purchasing Autobell gift cards for \$20. We keep 50% of the sales. Gift cards make great teacher appreciation and holiday gifts.

*Hurry and place your order by November 12th!!*
